Call for Abstracts

Ninth Mini Conference on Acoustics (MCA)

& Best Student Presentation Competition

at

The George Washington University, Washington, DC

Wednesday June 14, 2017, 6:00 PM-9:00 PM

The Washington DC Chapter of the Acoustical Society of America (ASA) will hold its Ninth Mini Conference on Acoustics (MCA) and the Best Student Paper Competition on Wednesday, June 14, 2017, from 6:00 - 9:00 pm, in Room B1220 of the Science and Engineering Hall (SEH) at the Foggy Bottom Campus of the George Washington University. The Science and Engineering Hall is located at 800 22nd St. NW in Washington, DC and is a one-block walk from the Foggy Bottom-GWU Orange Line Metro Station. The purposes of this event are to promote and share research and knowledge in acoustics, to provide an opportunity for networking among local acousticians, and to encourage participation of students in scientific conferences in the field of acoustics. Attendees can present their current work, work already presented in previous conferences, or give a talk on what they are going to present in the near future (e.g., ASA Meeting in Boston June 25-29, 2017). Take this chance to practice your talk and get useful feedback from professionals!

Abstract Submission:

People interested in presenting their work are invited to e-mail a short abstract (max 200 words) to ASACChapterDC@yahoo.com before Monday, May 29, 2017. Speakers will have 20 minutes to present their work (17 min. for presentation + 3 min. for questions). A projector is available. Total presentations will be limited to 8 with first priority for students, then by order of submission.

Best Student Presentation Competition:

Awards will be presented to students presenting papers. The number of awardees and the amount of awards will depend on the number of participants, and will be announced at a later date. To qualify for the awards, the author must: (a) be enrolled as a student at least half-time (graduates are eligible if the work being presented was performed as a student within 1 year of the meeting), (b) be listed as the 1st author on the submitted abstract, and (c) present the paper at the meeting. The award winners will be selected by a panel of experts who are not affiliated with the presented papers. Winners will be notified by June 29, 2017.

Attendance:

There is no chapter membership or attendance fee. Acoustical Society membership is NOT required to attend. Food and refreshments provided during the icebreaker from 6:00–6:30pm. **Feel free to forward this announcement and invite others to join us!**
